

ARCHAEOLOGICAL OVERVIEW ASSESSMENT

Lakes District & Schooner Cove
Neighbourhood Plan Areas
Nanoose Bay, B.C.

The Archaeology Branch of the Ministry of Tourism, Culture & the Arts controls and releases archaeological information on a “need to know” basis pursuant to Section 3(3) of the Heritage Conservation Act.

Records for specific archaeological investigations can only be provided where it can be shown that distribution of the records will benefit the management or conservation of these sites. As such, the Archaeological Overview Assessment (AOA) prepared for the Lakes District and Schooner Cove has only been provided to the Regional District of Nanaimo as part of the formal Neighbourhood Plan submission.

In accordance with the Act, the AOA is not provided to the general public.
