DRINKING WATER & WATERSHED PROTECTION PROGRAM

Public Info Session

Five years ago, RDN residents voted to establish a Drinking Water & Watershed Protection service...

Come join us this October as we:

- **Update** on **DWWP program initiatives** to-date
- **Present** the findings from the recent region-wide **Water Budget study**, reporting on the known state of our water resources
- **Discuss** the development of an **Integrated Watershed Management Framework for the RDN**: we want your say!

This will be a casual and interactive session

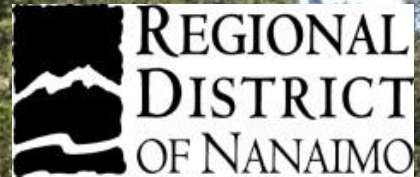

Refreshments will be provided!

**DRINKING WATER
WATERSHED
PROTECTION**
