

AUGUST CALENDAR

30 Grant Applications Due
4:00 PM

There is no regularly scheduled Committee of the Whole or RDN Board meeting in August.

WATERSHED MONITORING

2019 Watershed Monitoring has begun.

If you visit a local waterway, you might spot a stream-keeper taking water samples as part of the RDN's Community Watershed

Monitoring Network (CWMN) that runs each August through November.

Comprised of 14 volunteer groups from Deep Bay to Cedar, the Network includes a total of 68 monitoring sites in 23 watersheds. With the dedication of volunteer stewards and the support of key stakeholders, the program has been tracking the health of our streams and guiding stewardship action since 2011.

Visit www.rdn.bc.ca/cwmn or call 250-390-6560 for more information.

RDN #DYK

Did you know that Water Stewardship Rebates are still in effect? You can help conserve and protect our shared resource while saving money by harvesting rainwater, increasing the water efficiency of your garden, or upgrading your well and having your well water tested.

For more information on the RDN rebate programs, visit www.rdnrebates.ca or call 250-390-6560.
