MARK YOUR CALENDARS

Join us next month at our Public Information Session to learn more about the French Creek Pollution Control Centre expansion and odour control upgrades. The Centre treats wastewater from the Town of Qualicum Beach, City of Parksville and nearby communities, and the RDN is planning a \$33-million upgrade to serve growing populations and improve odour control.

Public Information Session

October 9, 2019
Oceanside Place – Multi-Purpose Room (Upstairs)
4:00 to 6:00 PM
830 Island Highway West, Parksville
