Thank You RDN Volunteers!

National Volunteer Week

April 7-13, 2019

The Volunteer Factor – Lifting Communities

Our volunteers help lift our community every day and make it one of the very best places to call home. A sincere thank you to the Regional District of Nanaimo's many volunteers who help generously in many ways, such as monitoring our watersheds, responding and supporting the community during emergencies, helping shape our regional recreation and maintaining our beautiful parks and trails.

CAMPING IN THE RDN

Visit RDN Campgrounds for the day or stay overnight. There are great family camping experiences to be had at Horne Lake and on Gabriola Island. Call or go online to reserve your site and prepare to explore.

- Horne Lake Regional Park 250-248-0500
- Descanso Bay Regional Park 250-247-8255

Online reservations at rdn.bc.ca/rdn-camping

DWWP ACTION PLAN UPDATE

We are all connected by water – it hydrates us, offers enjoyment and beauty, provides habitat. It is important for culture and recreation. Water allows us to run our businesses, to raise families and to grow our food. Yet, water faces challenges, including a changing climate and increased pressures on land and water.

Since 2009, through the Drinking Water & Watershed Protection (DWWP) program, the RDN has delivered Education, Science, and Planning initiatives to our communities that benefit the long-term sustainability of our region.

Now it's time to re-energize the regional DWWP Action Plan for the next decade... and beyond!

Are you interested in the future of drinking water and watershed protection in our region? We want to hear from you! **Completed surveys will be entered to win a rain barrel!**

Get Involved at getinvolved.rdn.ca/dwwp-action-plan-update-2019 for survey details and register to stay up to date on this project.
