RDN #DYK?

Did you know that we have an interactive map that allows you to select your water service area to display which stage of watering restriction is in effect? Watering restrictions help ensure water demands for essential household use, fire protection, irrigation purposes and environmental flows can be met as we prepare for the dry summer period.
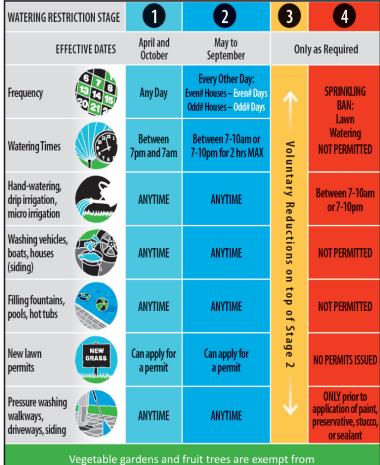

Visit www.rdn.bc.ca/watering-restriction-map to learn more about watering times, frequency, efficiency tips and more.

RDN REBATES

2019 RDN Water Stewardship Rebates are still open in most areas.

Help conserve and protect our shared resource and save money through harvesting rainwater, increasing the water efficiency of your garden, or upgrading your well and having your well water tested.

Rainwater Harvesting: Receive up to $750 for the installation or addition of 1000 imperial gallons of rainwater storage.

Irrigation Upgrades & Soil Improvements: Receive up to $475 for irrigation upgrades and/or 50% off garden soil improvements up to $100. Receive a $100 bonus rebate for completing both irrigation and soil upgrades.

Well Head Upgrades & Well Water Testing: Receive up to $650 for wellhead upgrades or up to $500 for the closure of any unused well. 50% off (up to $150) a full spectrum water quality analysis is available to RDN well-owners.

For more information on the RDN rebate programs, eligibility, requirements, and how to apply, visit www.rdnrebates.ca or call 250-390-6560.
