

BOARD APPOINTMENTS - SEEKING TECHNICAL EXPERTS FOR CLIMATE ACTION

The Regional District of Nanaimo is seeking seven technical experts for climate action who are either currently employed or recently retired (within the last two years), with five or more years of experience in the following areas:

- Agriculture
- Climate/meteorological science
- Coastal/geomorphological process
- Construction or urban development
- Floodplain mitigation
- Forestry or forest management
- Asset (infrastructure) management
- Sustainable/renewable utilities, including energy
- Transportation planning, including vehicle fleet management
- Waste management
- Watershed management

Those interested in being appointed to the advisory committee are asked to submit a resume and cover letter that lists all professional experience, professional designation(s), specific experience with climate change action or planning and availability to attend meetings during business hours and evenings. Resumes and cover letters will be accepted until **4:00 p.m. Monday, December 23, 2019.**
