WHEN SEVERE WEATHER IMPACTS CURBSIDE COLLECTION

Severe winter weather can result in disruptions to curbside collection due to road conditions. If your material is missed on collection day, we will try again for the following two days. Have your material back at the curb by 8:00 a.m. If we still can't pick up your material on the two following days, you will be permitted twice the material on your next corresponding pick-up day.

Check the RDN Curbside App, rdn.bc.ca, Facebook and Twitter for the latest updates.

ELECTORAL AREA F OFFICIAL COMMUNITY PLAN (OCP) UPDATE

The RDN is updating the Electoral Area F OCP which was first adopted in 1999.

An OCP is a long-term plan for a community. It guides land use by describing a community's vision for the future and includes objectives and policies to help achieve that vision.

Join the Conversation! We need your input to help shape and inform the updates to the OCP!

Join us at one of our upcoming community events in February. See details below about the ways you can get involved.
