

Temporary Full Road Closure - North Road (Gabriola Island) - November 26

Please be advised that there will be a temporary, full road closure of North Road between Lockinvar Lane and Ross Way located within the Gabriola village core on November 26, 2020, from approximately 8 a.m. to 12 p.m. During the closure, there will be emergency access from both ends, but no through traffic available. Access to businesses along North Road will be retained.

The detour route follows Lockinvar Lane (north) to Ross Way. An alternate route is to take Lockinvar Lane (south) to South Road. Traffic control services will be in place to direct traffic through the detour. The closure is required to allow concrete trucks and pumper to work on one of the path's retaining walls.
