CURBSIDE COLLECTION - CART PLACEMENT

- Leave at least 1m (3ft) of clearance between the carts and any obstacles such as parked cars, poles, fire hydrants, etc.
- Make sure there is 3m (10ft) of clearance above the carts.

- All materials must be placed in the cart with the lid completely closed.
- Ensure the food waste cart lid is in the locked position.
- Improperly placed carts, overflowing carts and materials placed outside of the carts will not be collected.

For more information, contact:
250-390-6501 or curbside@rdn.bc.ca

FLOOD PREPAREDNESS

Are You Ready for Winter? November to January is the highest risk time of the year for extreme weather, power outages and local flooding. Please monitor Environment Canada's website at www.weather.gc.ca and the River Forecast Centre's website at <http://bcrcfc.env.gov.bc.ca/warnings> for current information.

How Can I Prepare?

- Have an emergency plan and know where you will stay and how you will reunite with your family after an emergency.
- Make sure you have a current grab and go bag.
- Know where your utilities are and how to turn them off.
- Remove important items from basement floors.
- Review your insurance policy.
- Pets are family too - prepare for them as well.
