

December 21, 2020

Curbside Collection Service Disruption for Tuesday, December 21

Due to winter conditions, curbside collection has been suspended for all RB routes (South Wellington, Cassidy, Cedar, Gabriola) today, December 21. To make up for the missed collection, Waste Connections will be collecting the missed material as follows:

- RB 1, 2 & 3 (South Wellington, Cassidy and Cedar)
Waste Connections will try to collect the missed material for the next 2 days, December 22 and December 23. If not picked up by 5 p.m. on December 23, please set out the material on your next garbage collection day.
- RB 4 (Gabriola)
Waste Connections will be collecting **BOTH GARBAGE and RECYCLING** on your next collection day, December 29. **Please note, only GARBAGE and RECYCLING will be collected, there will be no FOOD WASTE collection on December 29.** Please have your GARBAGE and RECYCLING CARTS out at the curb by 8 a.m. on December 29 to ensure they are collected. Regular collection will resume the week of January 4, 2021.

We apologize for any inconvenience.

Download the RDN Curbside app at rdn.bc.ca/curbside-collection-schedules for up-to-date curbside collection alerts, and to view your collection schedule and receive collection notifications.
