SOCIAL NEEDS ASSESSMENT & STRATEGY

The RDN, in partnership with the City of Nanaimo, Gabriola Island Local Trust Committee, Town of Qualicum Beach and the District of Lantzville, is currently undertaking a Social Needs Assessment & Strategy. Working with community organizations and individuals with lived experience of poverty, this project will identify actions local governments and community partners can take to improve the wellbeing of all citizens.

Consistent with *TogetherBC*, British Columbia's Poverty Reduction Strategy, key priority areas of the project include:

- families, youth and children
- social supports
- housing and homelessness
- access to services
- safe affordable transportation
- discrimination and stigma

Community engagement will begin in March 2021, including an online survey available for all residents. Please join the conversation at www.getinvolved.rdn.ca/social-needs-strategy.

NANAIMO AIRPORT LAND USE BYLAW UPDATES

The RDN is proposing to amend the Regional Growth Strategy, Electoral Area A Official Community Plan and Zoning Bylaw No. 500 for lands owned by the Nanaimo Airport Commission. The Nanaimo Airport Commission, who owns and operates the Nanaimo Airport, has a land use plan that includes expanding the airport terminal and airside commercial for aviation and aviation light industrial, and developing land adjacent to the Trans-Canada Highway for commercial uses, passenger flow and parking.

The purpose of the proposed amendments is to recognize the existing airport operations and to facilitate future development of the Nanaimo Airport, including commercial uses complementary to the airport on the portion of the property adjacent to the Trans-Canada Highway.

For further information, draft bylaw amendments and project timelines, visit www.getinvolved.rdn.ca/airport or call 250-390-6761.
