

NOTICE OF INTENT TO AWARD CONTRACT No. 21-044

Issued: 28 April 2021

Vendors are advised the Regional District of Nanaimo (RDN) intends to direct award a contract to Eaton Industries (Canada) Company for the provision of Motor Control Centres (MCC) for Chase River Pump Station

Services include, but are not limited to:

Supply of Motor Control Centres including Variable Frequency Drives and Active Harmonic Filters for the control of five 110 hp pumps.

The estimated value of the agreement may be greater than \$75,000

The RDN wishes to direct award for the following reasons:

- Existing and remaining panels in the electrical room are Eaton panels.
- Limited space available for these units is another limiting factor.

Vendors wishing to challenge the RDN's intention to direct award a contract to Eaton Industries (Canada) Company must submit their objection, in writing, via email to the following person on, or before 3:00 p.m. PST on 12 May 2021.

Duncan Taylor, Manager of Engineering Services
Regional District of Nanaimo
Email: dtaylor@rdn.bc.ca

Objections must be submitted on company letterhead and be signed by an individual authorized to represent the company submitting the objection. Vendors must clearly state the reasons why they believe they are qualified to supply the services that are being proposed to be direct awarded and why the services should be competitively tendered.

The RDN retains the right to determine its future course of action depending on any responses received and to perform its due diligence as required prior to making a final decision.
