Competition No.: 2021-059

ABOUT THE ROLE

The Regional District of Nanaimo is seeking a temporary full-time Operator 2 in the Wastewater Services department at the Greater Nanaimo Pollution Control Centre.

Reporting to the Chief Operator, the successful candidate will be responsible for a variety of duties including the inspection of all systems to ensure proper operation; sampling and laboratory analysis on a rotational basis; operation and maintenance of the centrifuge and polymer systems; operation of the forklift and loader; maintenance of laboratory and operational records and log books; handling and transfer of chemicals to plant and pump stations, and for performing emergency systems tests; and other related duties. Duties also include Operator on-call duties and responding to call outs.

QUALIFICATIONS

Applicants must possess a post-secondary diploma in Water and Wastewater Technology, supplemented with an Environmental Operators Certification Program Class 2 certificate in Wastewater Treatment, which includes three (3) years of acceptable operating experience at a Class I or higher facility or an equivalent combination of training and experience. A thorough knowledge of treatment process, laboratory procedures, a knowledge of electrical, instrumentation, pipe fitting, welding, SCADA systems and computer skills are required. A knowledge of safe work procedures, WHMIS, Emergency First Aid for Industry, and the transportation of dangerous goods is also required. The incumbents must also possess a valid Class 5 BC Driver's License and have a good mechanical aptitude. This position requires carrying a pager on a rotational basis and responding to call outs. It is expected that the successful candidates will reside within 20 minutes of the facility they work at.

POSITION DETAILS

This is a temporary full-time (40 hours per week) Union position (July 2021-July 2022) with the possibility of extension based on operational need. The (2020) rate of pay is \$32.31 to \$34.01 per hour plus 12.4% in lieu of benefits including vacation and statutory holidays.

A Criminal Record Check is a condition of employment with the Regional District of Nanaimo.

Operator 2

Regional and Community Utilities (Wastewater Services)

JOB SUMMARY

The Operator 2 contributes to the effective operation of Wastewater Services for the Regional and Community Utilities Department through the safe maintenance and operation of RDN Wastewater treatment and collection facilities according to permit specifications.
