Visit www.rdn.bc.ca/agendas-minutes-videos for more information and the RDN committee meeting calendar.

RDN BOARD MEETINGS

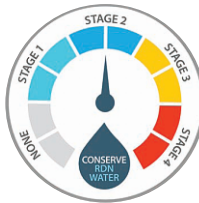

The RDN Board, at its regular Board meeting held on May 25, 2021, voted to change Committee of the Whole (CoW) meetings to Board meetings. There will now be two scheduled Board meetings per month instead of one. CoW meetings will be scheduled as required at the call of the Chair and budget meetings will continue to be CoW meetings as per the steps in the 2022-2026 financial plan.

OUTDOOR WATERING RESTRICTIONS

Outdoor water conservation helps our region be resilient to drought and maintain water supply for essential needs, fire protection and environmental flows.

If you are a customer of a municipal, improvement district or RDN water system, please visit www.rdn.bc.ca/watering-restriction-map to see which watering restrictions are in place where you live. Veggie gardens and drip irrigation are exempt from restrictions.

TRANSIT REDEVELOPMENT STRATEGY

The RDN is developing a priority plan for improving transit services over the next five years. Working with Watt Consulting, the Transit Redevelopment Strategy is a collaborative initiative between the RDN, City of Nanaimo and BC Transit.

The Strategy will be considering improvements for all aspects of the conventional transit service throughout the RDN, including service frequency, hours of operation, customer amenities, infrastructure and route design.

This is a public process. Your input will help make transit better for all users! Visit www.getinvolved.rdn.ca/trs to participate and for project updates.
