Maureen Young, Electoral Area C Director

It is with sadness that the Regional District of Nanaimo shares the passing of Director Maureen Young, after a courageous battle with cancer. Maureen was the Director of Electoral Area C for 16 years, proudly serving and representing the Extension, East Wellington and Pleasant Valley areas.

A long-time resident of the Nanaimo area she had an avid interest in the history of the region, particularly that of Extension where she lived. She was an active member of the community and was passionate about serving and representing electoral areas supporting agriculture, forestry and the advancement of the regional parks system.

Maureen was Chair of Community Grants Committee which provides funding to regional community groups and organizations. She was also proud of the development of Extension Miner's Community Park and the Mount Benson staging area.

"On behalf of the RDN Board, we are deeply saddened by the loss of such a dedicated and inspiring member of our community. Maureen Young served her community and our region for decades," said Chair Tyler Brown. "We extend our sincere condolences to her family. Her contributions to our communities will continue to be felt by residents for years to come."

Following the loss of Director Young, Alternate Director Charles Pinker will take on the role of Director for Electoral Area C until a by-election is held.
