Watermain Replacement - Dolphin Drive and Outrigger Road

November 12, 2021 to February 28, 2022

7 a.m. – 5 p.m. (Monday to Friday only)

The Regional District of Nanaimo (RDN) will be replacing watermains in the Nanoose Bay Water Service Area on Dolphin Drive and Outrigger Road from November 2021 to February 2022. One-way traffic will be maintained at all times while excavation takes place in the roadway. Water service may be temporarily interrupted during tie-ins to the existing watermain. The above-noted time period is not definite and the RDN will endeavour to have the water service back in service as quickly as possible.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. The RDN is not responsible for any damage resulting from interrupted service.
