

**December 13, 2021****Request for Proposals****Mid-Island EV Network****Information for Proponents**

The Community Energy Association, hereinafter referred to as “CEA” invites proposals for the Mid-Island EV Network.

**SCOPE:** Community Energy Association, on behalf of the Mid-Island RFP/Procurement Committee, who represents the interests of nine Owners, invites *Proposals* for a Contractor to the supply and install dual-headed, Level 2 *Electric Vehicle Supply Equipment (EVSE)* for the Mid-Island Level 2 Electric Vehicle (EV) Charging Network (the Work). The total value of all contracts, excluding Value Added Taxes shall not exceed \$631,996.

Mid-Island Level 2 EV Charging Network is a community-driven, collaborative program, building a Level 2 EV charging network across Central Vancouver Island, BC. It is a multi-year initiative including nine Owners, the Province of BC and the Government of Canada. The project will create a Level 2 *EVSE* charging station network that enhances existing connectivity across the mid-island.

Proposal documents may be downloaded directly from the CEA website at <https://www.communityenergy.ca/projects/mid-island-ev-network/>

**CLOSING DATE:** Not later than **4:00:00 p.m. local time on the 24 day of January, 2022.**

All enquiries related to this RFP are to be directed to **Danielle Wiess**, at [Mid-IslandRFP@communityenergy.bc.ca](mailto:Mid-IslandRFP@communityenergy.bc.ca)

Proposals will not be opened in public.
