ABOUT THE ROLE

The Regional District of Nanaimo is seeking a permanent full-time Mechanic working with Transit Operations in the Transportation and Emergency Services Department.

The successful candidate will be responsible for vehicle and equipment repairs, including diagnosis and road testing, responding to roads calls for breakdowns or accidents, and the maintenance of records related to those repairs and servicing. Duties also include welding and fabricating, performing building maintenance and repairs, winterizing equipment such as towing and snow removal equipment, training of new staff, and other related duties, as required.

QUALIFICATIONS

Applicants must possess a high school diploma, plus a trade's qualification in heavy duty mechanics, and over five (5) years prior job-related experience, or an equivalent combination of training and experience. A working knowledge of WHMIS and First Aid courses, good working knowledge of hydraulics, mobile equipment, standard bus electrical systems, air conditioning and multiplex wiring systems, as well as knowledge of safe and proper operation of equipment and work procedures is also required. Familiarization with wheelchair lift/ramp and restraint system vehicles would also be an asset. The incumbent must possess excellent communications skills with the ability to work under stress and make quick judgement calls. In addition, the incumbent must possess a valid Class 2 BC Driver's License with Air Brake Endorsement.

POSITION DETAILS

This is a Permanent full-time (40 hours per week, variable shifts) Union Position. The (2022) rate of pay is \$36.68 to \$38.62 per hour. The position offers an attractive benefits package as provided within the collective agreement between the Regional District of Nanaimo and the Canadian Union of Public Employees, Local 401.

A Criminal Record Check and a proof COVID-19 vaccination is required as a condition of employment with the Regional District of Nanaimo.

Mechanic

Transportation and Emergency Services (Transit Operations)

JOB SUMMARY

The Mechanic contributes to the effective operation of the Transportation Services Department through the diagnosis, repair and modification of vehicles and equipment.
