Questions & Answers

- Q1. At the top of page 2 in the RFSQ, it states that final reporting will be in September 2022. However, at the bottom, it states that anticipated project timing is "March and November 2022". Can you please clarify the "and November" mention?
- A1. September 2022 is the deadline for the written report. November 2022 is when the successful proponent is expected to present to the Board.
- Q2. The survey is renewed every 4 years. Will the contract for the 2022 wave be open to renewal for the next wave in 4 years at the Region's discretion, or must this be re-tendered?
- A2. This can be discussed with the highest ranked proponent when finalizing an agreement.
