Questions & Answers:

- Q1.** Does RDN expect the survey to be delivered online?
- A2.** We are looking for the consultant's expertise and recommendation on the delivery methods. This will be discussed with the successful proponent.
- Q2.** If we understand the timeline correctly, the project will begin in March, with the survey to take place in late spring (May?). The final report is due at the end of September, and the project results will be presented to the board in November. Will anything be required of us between the final report delivery and the final presentation?
- A2.** Yes, our thoughts would be the survey will take place in May or early June. No there is nothing required of the consultant between the final report delivery and the final presentation. There is a delay for the presentation to the RDN Board due to the local election on October 15, 2022. This will be discussed with the successful proponent.
- Q3.** Is the final presentation planned to be in-person?
- A3.** Provided RDN Board meetings continue to be a hybrid model, the final presentation can be virtual. This will be discussed with the successful proponent.
- Q4.** Are there any services in particular that the RDN is hoping to get residents' opinions on?
- A4.** We are looking for the consultants to make recommendations based on their expertise and experience. This will be discussed with the successful proponent.
