**Questions & Answers**

Q1. From your REQUEST FOR STATEMENTS OF QUALIFICATIONS (RFSQ) No. 22-046, it states:

“Assess the RDN’s GIS current staffing model (org chart), job descriptions, compensations, including a comparison to organizations of similar size and characteristics. This would include at least 2 and ideally 4 Regional Districts in BC. Include any benchmarking or metrics to keep the levels appropriate.”

This statement assumes respondent has done work with 2 or ideally 4 Regional Districts in BC previously. Or does it mean that there will be an opportunity to do this as part of the RFSQ? If our company has not done work with other regional districts in BC, we would not be compliant capable. Is this requirement a showstopper for respondent vendor?

A1. It will not be a showstopper. Please feel free to share comparisons from similar organizations of similar size and characteristics.
