Tenders received in any other manner will not be accepted. Tenders will not be opened in public.

ARTICLE 2. Scope of Work

- a) Any and all required permits will be the responsibility of the successful contractor unless noted otherwise.
- b) Contractors will need to make their own provisions for power, water and washrooms if required.
- c) Work is requested to be completed by June 30, 2022, if possible

ARTICLE 3. Site Visit

No formal site visit will be conducted. It is the responsibility of the potential contractors to be familiar with the site to determine the existing conditions, layouts and limitations and ask any questions. In submitting a tender, the contractor confirms that they have viewed the site and the tender includes any equipment, materials, and labour necessary to complete this project in a turnkey manner. The contractor will rely entirely upon his/her own judgment in submitting a tender and include a sum sufficient to cover all items required for the contract.

ARTICLE 4. Examine Documents and Site

The Tenderer must carefully examine the Contract Documents and the site of the proposed works, judging for and satisfying himself as to the probable conditions to be encountered. Should a Tenderer find discrepancies in, or omissions from the drawings or other documents, or should he be in doubt as to their meaning, he should, prior to submitting his tender, notify the REGIONAL DISTRICT in writing. The Tenderer may not claim, after the submission of a tender, that there was any misunderstanding with respect to the conditions imposed by the documents.

No verbal agreement or conversation made or had at any time with any officer, agency or employee of the Owner shall affect or modify any of the terms or obligations herein stated or deemed to be any representation of warranty.

Article 5. Addenda

If the REGIONAL DISTRICT determines that an amendment is required to this TENDER, the REGIONAL DISTRICT will post an addendum on the REGIONAL DISTRICT (<https://www.rdn.bc.ca/current-bid-opportunities>) and BC Bid websites. Each addendum will be incorporated into and become part of the TENDER. No amendment of any kind to the TENDER is effective unless it is contained in a written addendum issued by the REGIONAL DISTRICT. It is the sole responsibility of the Proponent to check and ensure all addendums are included prior to submitting their final Tender submission.

ARTICLE 6. Tender Price

All pricing is to be in Canadian Dollars. Prices shall be filled as indicated on the Tender Form. In the event of a price extension discrepancy when calculating the total contract value, the REGIONAL DISTRICT reserves the right to correct the totals. For unit price contracts, the unit price will prevail.

ARTICLE 9. Revisions to Tenders

Any revision to the tender by the Tenderer must be in writing properly executed and received on or before the posted closing date and time as per the submission instructions outlined in Article 1.

Where a Tenderer submits multiple revisions to the original tender price, each revision should be numbered sequentially by the Tenderer. Unless the Tenderer clearly stipulates to the contrary on the face of the revision, each successive revision will nullify and replace any previous revision to the identified item or tender price. If in the opinion of the REGIONAL DISTRICT, any revision is unclear, ambiguous as to meaning or intent, or does not comply with the requirements of this article, that revision will be disregarded and the original tender price, or the tender price determined by consideration of any other revisions will prevail. The REGIONAL DISTRICT, its employees and agents will not assume any responsibility for timely receipt of any revisions.

 - b) A tender contains qualifying conditions or otherwise fails to conform to these Instructions to Tenderers.
 - c) A tender is incomplete, is considered incomplete in the Instructions to Tenderers, is obscure or irregular, which has erasures or corrections in the Tender Form, in which prices are omitted or are unbalanced, or which has an insufficient or irregular surety.
 - d) The REGIONAL DISTRICT may, in its absolute discretion, reject a Tender submitted by Tenderer if the Tenderer, or any officer or director of the Tenderer is or has been engaged either directly or indirectly through another corporation in a legal action against the REGIONAL DISTRICT, its elected or appointed officers and employees in relation to:
 - any other contract for works or services; or
 - any matter arising from the REGIONAL DISTRICT's exercise of its powers, duties, or functions under the Local Government Act or another enactment within five years of the date of this Call for Tenders.

In determining whether to reject a tender under this clause, the REGIONAL DISTRICT will consider whether the litigation is likely to affect the Tenderer's ability to work with the REGIONAL DISTRICT, its consultants, and representatives and whether the REGIONAL DISTRICT's experience with the Tenderer indicates that the REGIONAL DISTRICT is likely to incur increased staff and legal costs in the administration of this contract if it is awarded to the Tenderer.

- .3 The REGIONAL DISTRICT may reject all tenders if for any reason the REGIONAL DISTRICT considers to be in its best interest to do so, including without limitation for any of the following reasons;
 - a) the lowest tender that the REGIONAL DISTRICT considers otherwise acceptable is higher than the funds budgeted or otherwise available for the project;
 - b) the REGIONAL DISTRICT decides not to proceed with the project or to defer the project;

ARTICLE 13. Form of Agreement

The Agreement and General Conditions of the contract are enclosed at the end of this document. Tenderers should carefully review this form of Contract. Tenderers may request that RDN consider revisions to the form of Contract. Tenderers should submit such requests to the RDN well before the Closing Date and Time. If the RDN agrees to a request received prior to the Closing Date and Time, then RDN will issue an Addendum to modify the Contract. Failure to do so means acceptance of the agreement as presented.

ARTICLE 14. No Claim for Compensation

Except as expressly and specifically permitted in these Instructions to Tenderers, no Tenderer shall have any claim for any compensation of any kind whatsoever, by participating in the tender, and by submitting a bid each Tenderer shall be deemed to have agreed that it has no claim.

ARTICLE 15. Solicitation of Board Members

"If a member of the Board, or a person who was a member of the Board in the previous six months has a direct or indirect interest in the contract, then the Tenderer shall report this to the REGIONAL DISTRICT in accordance with Section 107 of the *Community Charter* upon being notified of the award of the contract. The Tenderer warrants and represents that it has not received any information or a record from any Board member or former Board member contrary to Section 108 of the *Community Charter*." The successful Tenderer will be required to direct all communications related to their contract through the staff members responsible for the project.

Prior to commencing work, the successful Tenderer will be required to provide the REGIONAL DISTRICT with its latest WorkSafeBC Clearance Letter demonstrating it is a member in good standing and its remittance is up to date. Otherwise, no work can commence until the Tenderer is either reinstated in

good standing or if the REGIONAL DISTRICT decides to cancel the agreement because this would result in an unacceptable time delay.

ARTICLE 17. Freedom of Information and Protection of Privacy Act

All documents submitted to the REGIONAL DISTRICT will be held in confidence by the REGIONAL DISTRICT, subject to the provisions of the Province of British Columbia's *Freedom of Information and Protection of Privacy Act*.

ARTICLE 18. BUILDER'S LIEN PAYMENT HOLDBACK
