

## Utility Work on Bay Avenue on May 10, 2022

The Regional District of Nanaimo (RDN) will be performing underground utility work on Tuesday, May 10, 2022, from 1:30 a.m. to 5:30 a.m. on Bay Avenue at its east end near 391 Bay Avenue. This work requires the shutdown of the RDN's Bay Avenue Wastewater Pumpstation and therefore must take place at night during the lowest wastewater flow period. Local access will be maintained.

For your safety, please be alert to construction activity and obey personnel and signs posted on site.
