

Area F Governance and Services Study Committee Meeting

The Regional District of Nanaimo (RDN) received approval from the Province of British Columbia's Ministry of Municipal Affairs to undertake a Governance and Services Study for Electoral Area F (Area F). The study encompasses all of Area F which includes the communities of Coombs, Hilliers, Errington, Whiskey Creek and Meadowood and surrounding areas. The purpose of this study is to gather information about current governance and service delivery in Area F, to get feedback from the community about their interests, priorities and challenges, and to identify opportunities for improvement.

A local governance and services study committee has been appointed by the RDN. The study committee is comprised of nine residents who represent various backgrounds, interests and localities in Area F to ensure a wide variety of perspectives are represented. The Area F Director also sits on the committee in a non-voting capacity.

The inaugural meeting of the Electoral Area F Governance and Services Study Committee has been set for:

Date: May 18, 2022
Time: 6 – 9 p.m.
Location: Bradley Centre, 975 Shearme Rd, Coombs
