The RDN is situated within the traditional territory of several First Nations, including three that have lands within the region: Snuneymuxw, Snaw-Naw-As and Qualicum. The RDN recognizes the rich cultural history of these First Nations and is committed to developing positive working relationships to the benefit of all residents of the region.

ORGANIZATIONAL PROFILE

The RDN is one of 27 regional districts in the Province of BC. Regional Districts across the Province strive to ensure all provincial residents have an effective form of local government, while also representing municipal residents on regional issues. The RDN provides regional governance and services to the municipalities of Nanaimo, Lantzville, Parksville, and Qualicum Beach, as well as seven unincorporated Electoral Areas. Established in 1967, the RDN is British Columbia's fifth most populous Regional District and home to more than 155,000 people.

ABOUT THE ROLE

Reporting to the Director of Finance, the Asset Manager is responsible for leading the development, planning, execution, and delivery of asset management services and projects consistently with the Asset Management Policy and related plans including development of procurement criteria, performing cost/benefit analysis, determining return on investments (ROI), integration of fee structure considerations, and pursuing asset management grants. The successful candidate will lead and educate staff to ensure development and execution of effective asset management plans.

This is an excellent opportunity for a finance professional with thorough knowledge of principles, practices, concepts, and issues related to asset management. The preferred candidate will have an undergraduate Degree (preferably in sustainability, engineering, financial planning) or training from a similar program in combination with a CPA designation. The preferred candidate will have over 5 years prior job-related experience with Certification as an Asset Management Professional (PEMAC Asset Management Association of Canada) or equivalent. This position requires relevant experience in financial planning and implementing asset management best practices as well as experience in creating and delivering programs and policies on strategic policy matters and the ability for long-term visioning and strategic thinking. Possession of a valid Class 5 BC Driver's License is required. A Criminal Record Check is required as a condition of employment with the Regional District of Nanaimo.

CONTACT DETAILS

The Regional District of Nanaimo is committed to employment equity. The RDN welcomes diversity and encourages applications from all qualified individuals.

Should you be interested in learning more about this unique opportunity with the RDN, please contact Harbour West Consulting at 604-998-4032 or forward your resumé, a letter of introduction and the names and contact information for three references, in confidence, to info@hwest.ca.
