

## ***SERVICE ALERT***

December 15, 2022

### **Water Service Interruption in the Surfside Water Service Area**

Water service will be temporarily interrupted in the McFeely Drive and Surfside Drive area on December 16, 2022, from 8 a.m. to 4 p.m. while emergency repairs to the water system are being made.

This time period is not definite, and the Regional District of Nanaimo (RDN) will endeavor to keep you in service as long as possible and have the water back in service as quickly as possible after the initial shutdown occurs. Please have water on standby for all domestic use.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. The RDN is not responsible for any damage resulting from interrupted service. Please visit [rdn.bc.ca/surfside](http://rdn.bc.ca/surfside) for general information about the Surfside Water Service Area.
