

Water Service Interruption – Westurne Heights Water Service Area

Water service will be temporarily interrupted in the following area while emergency repairs to the water system are being made.

1241 to 1260 Westurne Heights Road

January 9, 2023, from 9 a.m. to 4 p.m.

The above time is not definite, and the Regional District of Nanaimo (RDN) will endeavor to keep you in service as long as possible and have the water back in service as quickly as possible after the initial shutdown occurs. Please have water on standby for all domestic use.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. The RDN is not responsible for any damage resulting from interrupted service.

Visit rdn.bc.ca/westurne-heights for general information about the Westurne Heights Water Service Area.
