

REQUEST FOR TENDER No. 23-021

CHURCH ROAD TRANSFER STATION (CRTS) HAULING MUNICIPAL SOLID WASTE, FOOD WASTE AND YARD AND GARDEN WASTE

Addendum 2 Issued: March 15, 2023

Closing Date & Time: on or before 3:00 PM Pacific Time on Mach 24, 2023

This addendum shall be read in conjunction with and considered as an integral part of the Request for Tender. Revisions supersede the information contained in the original Tender or previously issued Addendum. No consideration will be allowed for any extras due to any Vendor not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

Questions & Answers

- Q1.** Would end-dump style trailers work for the garbage hauling?
- A1.** Yes, as long as the trailers are compatible with CRTS loading procedures and unloading processes at all facilities.
- Q2.** With the number of trailers, you're requiring for this haul. 4 garbage, and 1 organics/food waste. Would implementing trailers into the haul as the volumes increase, be feasible? Would you be able to start with 2, or 3 live floor trailers for the organics/food waste haul?
- A2.** We are requesting 4 Garbage, 1 Yard and Garden and 1-2 (depending on vendor recommendation) for co-mingled Organics/Yard and Garden. We require as a minimum 3 garbage trailers, 1 yard and garden trailer and 1 co-mingled trailer to be available and designated to this haul, the 1 garbage trailer (in addition to the 3 designated) could be available on an on call basis.
