

Water Service Interruption in the Nanoose Bay Peninsula Water Service Area

Work has begun on the Andover Road Pressure Reducing Valve (PRV) replacement project. Water service will be temporarily interrupted while a new valve is installed on the watermain on the following date:

- Date:** Thursday, February 29, 2024
Time: 10 a.m. to 2 p.m. (time is approximate)
Location: From 2655 to 2675 Andover Road (Glen Eagle Strata)

The Regional District of Nanaimo (RDN) will keep the water service disruption as short as possible to minimize any inconvenience to residents. Please have water on standby for all domestic use.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. The RDN is not responsible for any damages resulting from interrupted service or discoloured water.
