#### **Question and Answer:**

**Question #1:** If I read Addendum #1 correctly, all 75mm crush (included that noted on drawing C-101), will be paid for under the unit rate in the Provisional Items. Is this correct?

**Response #1:** Incorrect. Pricing item B1 shall include the full lump sum price for all works required to install the culverts in Stormwater Community Park, as shown in the KWL drawings. This includes all required gravels.

Provisional pricing item C2 applies only to the 75mm crush gravel required to construct the section of gravel trail on the road shoulder as shown on sheets L1 and LD1 in the Rivers Edge Roadside Trails drawings.

**Reminder:** Please submit the Revised Tender Form issued in Addendum #1
