

## Water Supply Well Replacement - 2391 Nanoose Road

The Regional District of Nanaimo (RDN) has contracted Red Williams to replace an existing water supply well at 2391 Nanoose Road in the Red Gap area of Nanoose Bay. Work is expected to take place during daylight hours in May and June 2024. Low levels of construction noise can be expected. There will be no interruption to local utility services or traffic flow while work is taking place. For your safety and the safety of the work crews, please remain alert to work activities and obey posted signs.
