

**REQUEST FOR STATEMENTS OF QUALIFICATIONS No. 24-035**

**Fleet Decarbonization and Infrastructure Plan Consultant**

**Addendum 1**

**Issued: June 4, 2024**

**Closing Date & Time: on or before 3:00 PM Pacific Time on June 24, 2024**

**Question & Answer:**

- Q1.** Is this study fully funded internally, or is the completion of the study contingent on securing funding from the FCM?
- A1.** The Regional District has some internal budget for the project and intends to proceed with the project scope that is feasible within that budget while awaiting for a funding reply from FCM. Project scope outside of the internal budget may need to wait for FCM funding to come through.
