

French Creek (Sandpiper) Water Service Area Water Service Interruption

Water service in the Sandpiper water service area will be temporarily interrupted as follows:

Date: Thursday, July 25, 2024

Time: 9 a.m. – 12 p.m.

Location: 1314-1363 Lanyon Drive, Parksville

The above time period is not definite. The Regional District of Nanaimo (RDN) will keep the water service disruption as short as possible to minimize any inconvenience to residents. Please have water on standby for all domestic use.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. Some air may be introduced into your water service line and cause your faucets to sputter momentarily but it is not harmful. The RDN is not responsible for any damage resulting from interrupted service, discoloured water or air sputtering.
