

Online Services Portal Maintenance Scheduled for August 11, 2024

The Regional District of Nanaimo's (RDN) online services may be unavailable on Sunday, August 11, 2024, between 10 a.m. and 4 p.m. while infrastructure upgrades are done.

During the system maintenance, there may be short disruptions to the following online services:

- Access to utility accounts through the online portal
- Utility charge certificate requests
- Utility bill payments
- Permit application submission
- GIS map services access

Your patience is appreciated while we perform the system maintenance.
