Recreation and Culture Grants Available to Organizations in Electoral Area A

The Regional District of Nanaimo (RDN) Electoral Area A Recreation and Culture Grant Program spring intake is open for applications. The funding helps community organizations provide services to residents of all ages throughout Electoral Area A including Cassidy, Yellowpoint, South Wellington and Cedar. The grants can be used for a variety of community and recreation-focused projects. Local, non-profit organizations can apply; charitable status is not required. Private or commercial organizations are not eligible.

The total value of the grants available in 2025 is \$10,000, with funds typically divided equally between the spring and fall intakes. The objective is to support as many local organizations as possible, however, larger funding requests may be considered. The spring grant application deadline is 12 p.m. on Friday, February 28, 2025.
