Melrose Terrace Water Service Interruption

Water service in the Melrose Terrace Water Service Area will be temporarily interrupted as follows:

Date: May 7, 2025

Time: 1 to 3 p.m.

Location: All properties within the Melrose Terrace Water Service Area

The above time is not definite. The Regional District of Nanaimo (RDN) will keep the water service disruption as short as possible to minimize any inconvenience to residents. Please have water on standby for all domestic use.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. Some air may be introduced into your water service line and cause your faucets to sputter momentarily but it is not harmful. The RDN is not responsible for any damage resulting from interrupted service, discoloured water or air sputtering.
