HOME ENERGY NAVIGATOR

Thinking about upgrading your home? Could you use a little help? **The RDN's free Home Energy Navigator program is here for you!**

- Free virtual home energy consultation
- Support applying for rebates
- Help identifying best retrofits for your money
- Creating a retrofit plan for your home
- Understanding and comparing contractor quotes

Home Energy Navigator is a free program offered by the RDN to support homeowners throughout their retrofit journey – ensuring you get the most out of available retrofit rebates.

To learn more, visit www.homeenergynav.ca or call 1-866-381-9995.

OUTDOOR WATER CONSERVATION

Outdoor water conservation helps our region be resilient to drought and maintain water supply for essential needs, fire protection and environmental flows. Our water is a shared resource, thank you for doing your part!

Watering restrictions are in place across the region. If you are a customer of a municipal, improvement district or RDN water system, please check www.rdn.bc.ca/watering-restriction-map to see which watering restrictions are in place where you live.

Veggie gardens fruit trees and drip irrigation are exempt from restrictions.

HOT? COOL DOWN WITH A HEAT PUMP!

You can access up to **\$2,500** in RDN rebates and **\$19,500** in provincial rebates when converting from fossil fuel (oil, gas, propane) or woodstove heating to an electric heat pump.

A heat pump is two systems in one – a heat pump takes the place of both an air conditioner and a heating system, keeping you warm in the winter and cool in the summer. Switching to an electric heat pump provides year-round comfort, better indoor air quality, and produces 97% less greenhouse gas emissions than natural gas or oil heating systems.

To find out what rebates are available, visit www.rdnrebates.ca.

WASTE DIVERSION BYLAW IN EFFECT

Waste Sorting Rules are Now in Effect!

The grace period for the Mandatory Waste Source Separation Bylaw has ended, meaning all multi-family households, businesses and institutions should be using the 3-bin system for recyclables, organics, and garbage.

Let's join forces to keep our community cleaner and greener! Properly sorting your waste helps avoid penalties and benefits the environment.

For more information or support, visit www.rdn.bc.ca/mwss or email zerowaste@rdn.bc.ca.

RECREATION

There are still spots available in RDN camps and swim Lessons. View all the details and register today at www.rdn.bc.ca/recreation.

The RDN offers a variety of fitness classes at a price of \$6 to \$10 a session. Ongoing pro-rated registration is available if space allows. Most of the fitness classes offer a drop-in option at \$12 a session. Pick up your drop-in pass today at either Ravensong Aquatic Centre or Oceanside Place Arena. www.rdn.bc.ca/drop-in-fitness-schedule.
