Wildfire safety reminders:

- During a wildfire, it is likely smoke will be visible in surrounding areas. If it is smokey in your area, it is best to keep indoors and close your windows when possible.
- Avoid all areas near the wildfire, obey signage and give fire crews the space to work.
- The operation of any aircraft not associated with fire suppression activities, including drones and unmanned aerial vehicles (UAVs), near a wildfire is illegal. It also poses a serious threat to the safety of the fire crews.
