## French Creek Pollution Control Centre Expansion

### Night Work at Morningstar Creek

The Regional District of Nanaimo will be replacing the existing bridge across Morningstar Creek with a new open-bottom arch culvert as part of the French Creek Pollution Control Centre expansion project. Below is a summary of important information.

**Project Location:** Morningstar Creek on the FCPC property at 957 Lee Road

**Start Date:** August 15, 2025

**Duration:** Four weeks, 24 hours per day, seven days a week

**You May Notice:** Equipment noise. Excavators, compaction equipment and light towers will be used for the work. Hauling of materials offsite will only occur between the hours of 7 a.m. and 10 p.m.

**Get Involved RDN!**

For your safety and the safety of the work crew, please remain alert to work activities and obey any posted signs. We appreciate your patience while work is being done.
