

August 12, 2025

Sunnybeach Road, Beach Access – Park Closed

Foreshore improvement work is scheduled to begin on Tuesday, August 18, 2025, and will take approximately one week to complete. The project involves improvements of the shoreline including the use of natural material -logs, rocks and native vegetation- to help protect the nature-based shoreline protection at Sunnybeach Road Beach Access. For public safety, the area may be partially or fully closed while the work is underway. Please use caution and remain alert to construction activities when visiting the surrounding areas. We appreciate your understanding and cooperation during this important shoreline enhancement project.
