New Addition to Romain Road Community Park in RDN Electoral Area F

The Regional District of Nanaimo (RDN) is pleased to announce that 7.3 acres (2.95 hectares) of undeveloped forested property next to Romain Road Community Park in Errington, which is part of Electoral Area F (EA F), has been secured through crown tenure to manage as a community park. This new addition is crown land, and a thirty-year nominal lease for the site has been approved by the Government of British Columbia. This will bring the total area of Romain Road Community Park to 18.2 acres (7.35 hectares).

"I'm delighted that we have been able to secure this land and expand Romain Road Community Park," said Leanne Salter, EA F Director. "This new addition preserves and protects sensitive wetland ecosystems, mature forests, biodiversity and wildlife habitat."

Romain Road Community Park is located between Alberni Highway and Romain Road. The park has a historic trail that was created by wagon trains that travelled to and from Port Alberni.
