

New Evacuation Alert for the Wesley Ridge Wildfire

A new evacuation alert has been issued for additional properties due to the Wesley Ridge wildfire. The alert including a map and list of addresses can be viewed at rdn.bc.ca/current-alerts. Emergency responders are notifying those impacted directly.

Residents are encouraged to sign up for emergency alerts to receive emergency alerts directly from the RDN through Voyent Alert, visit rdn.bc.ca/emergency-program.

For your safety, and the safety of Wesley Ridge wildfire response crews, stay out of the area of the fire response. Please do not go on Cameron Lake, operate drones, enter the area on foot or stop on the highway. As Horne Lake and Spider Lake are being used as a water sources for ongoing air support, please remain near the shore or off these lakes and aware of helicopters that are active in the area.

Additional information and resources:

Wildfire safety reminders:

- During a wildfire, it is likely smoke will be visible in surrounding areas. If it is smokey in your area, it is best to stay indoors and close your windows when possible.
- Avoid all areas near the wildfire, obey signage and give fire crews the space to work.
- The operation of any aircraft not associated with fire suppression activities, including drones and unmanned aerial vehicles (UAVs), near a wildfire is illegal. It also poses a serious threat to the safety of the fire crews.
