Whiskey Creek - Water Service Interruption

The Regional District of Nanaimo (RDN) will be removing fire hydrants in your area.

Date: October 1 - 31, 2025

Time: 8:30 a.m. - 4 p.m., Mondays to Fridays

During this time, you may experience temporary interruption of water, pressure fluctuations and possible water discolouration. Please run the cold water tap for 5 to 10 minutes to clear up any discolouration due to sediment and/or air in your water pipes. The water remains safe to consume while the work is being done.

The RDN is not responsible for any damage resulting from interrupted service, discoloured water or air sputtering.
