

REQUEST FOR PROPOSALS No. 26-011

Maple Lane Community Park Playground Design-Build

Addendum 3

Issued: February 23, 2026

Closing Date & Time: on or before 3:00 PM Pacific Time on February 27, 2026

This addendum shall be read in conjunction with and considered as an integral part of the Request for Proposal. Revisions supersede the information contained in the original Proposal or previously issued Addendum. No consideration will be allowed for any extras due to any Vendor not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

Questions and Answers

- Q1.** Can you confirm where equipment (vehicles, larger trucks, etc.) can be brought in and out from? Is this access wide enough to accommodate these kinds of vehicles right up to the work site itself?
- A1.** The access size is limited from existing wood structure/signage located few meters from the only access to the park (photo attached). The open space is 8 ft high and 9 ft wide.
- Q2.** Will we be able to connect a temporary water service to the water meter that is located close to the roadside in the park entrance area?
- A2.** Correct, you will be able to connect temporary to the water meter.

End of Addendum 3
