MANDATORY WASTE SOURCE SEPARATION

Did you know? The RDN is taking the next steps towards 90 per cent waste diversion from the landfill.

Multi-family residences, businesses and organizations are now required to have separate bins to sort their waste, just like single-family residences do.

Questions? We are here to help! Visit www.getinvolved.rdn.ca/sort-smart.

NATURE-FRIENDLY PROPERTY DESIGN

Thinking about new construction, landscaping or major renovations on your property in 2026? Take a look at our Sustainable Site Planning Guide.

This guide is a tool developed by the RDN that helps homeowners and builders make design choices that reduce environmental impacts, improve home resilience and protect natural ecosystems we all rely on. Sustainable site planning can also increase home comfort and lower longterm maintenance costs.

Download the Sustainable Site Planning Guide and check out the work we're doing at

SEED FUNDING FOR LOCAL PROJECTS

Have a project that could make your neighbourhood more climate-friendly? The RDN offers Climate Action Seed Funding to support small, community-led initiatives that reduce emissions, build resilience and inspire change.

Eligible projects can receive up to \$1,000 in funding and must benefit residents in an RDN electoral area. Whether it is a repair café, climate resilient home tour or community garden, your idea could help create a healthier, more sustainable future.

Learn more and apply at www.rdn.bc.ca/climate-action-seed-funding. Questions? Email sustainability@rdn.bc.ca or call 250-390-6510.
