

REGIONAL DISTRICT OF NANAIMO

SERVICE ALERT

February 15, 2026

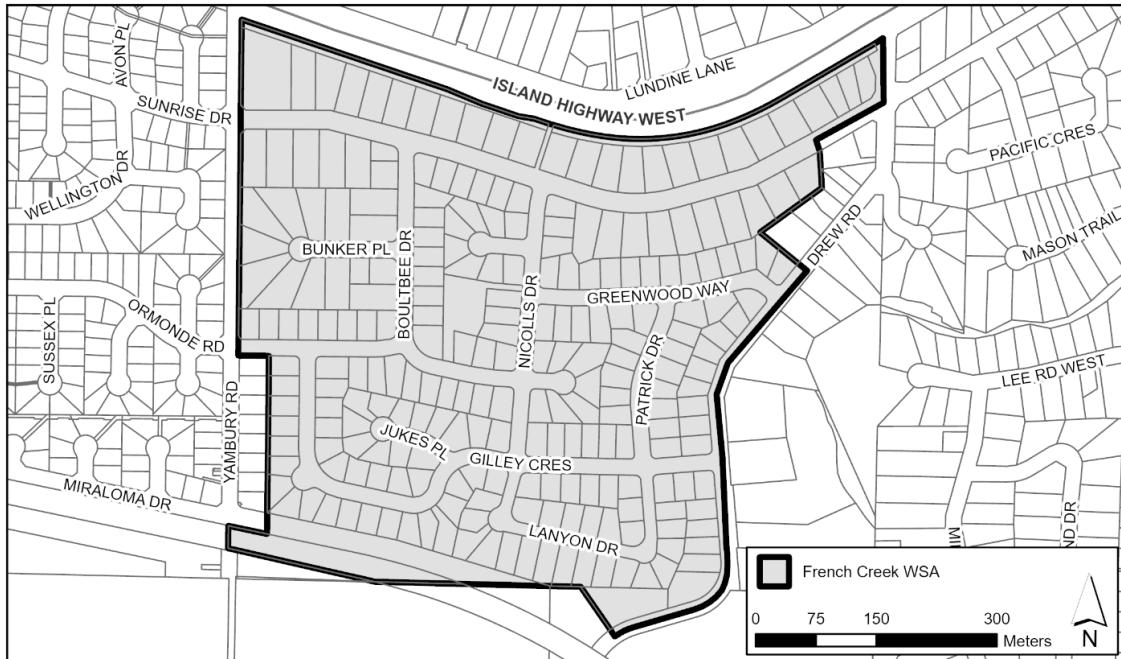

Watermain Flushing – French Creek (Sandpiper Subdivision)

Regional District of Nanaimo (RDN) Water System operators will be flushing (cleaning) watermains in the French Creek (Sandpiper Subdivision) area as part of the annual watermain maintenance program.

February 17 – 20, 2026, from 8 a.m. to 4:30 p.m.

During this period, customers in the Water Service Area should expect temporary disruption of service, intermittent drops in water pressure, and water discolouration. Please do laundry only in the evenings or on the weekends and ensure that you have sufficient water for the day. The RDN is not responsible for any damage resulting from the use of discoloured water.

Important note: If you notice any discolouration in your water after flushing, please run your cold water taps until the water runs clear. Water is still safe to use and consume.
