## **Input Sought to Help Shape the Englishman River Regional Park Management Plan**

The Regional District of Nanaimo (RDN) is updating the Englishman River Regional Park Management Plan to guide how the RDN manages and improves the park over the next 20 years. The updated plan will build on the 2009-2014 management plan and identify ways to address current challenges and improve management of the park. Residents are invited to provide input that will help update the vision, priorities and recommendations in the updated plan which is anticipated to be finalized in winter 2026.

Residents can participate by providing their input through an online survey, attending the open house and asking questions through the [project page](#).

### **Online Survey**

Residents can complete the survey until April 26, 2026, at [getinvolved.rdn.ca/errp-management-plan](https://getinvolved.rdn.ca/errp-management-plan).

### **Drop-in Open House**

Date: Saturday, April 18

Time: 12:30 – 3:30 p.m.

Location: Englishman River Regional Park - Top Bridge parking lot at the end of Allsbrook Road, Parksville

Englishman River Regional Park is a 207-hectare park located just outside the City of Parksville along the north banks of the Englishman River. The park is a regionally significant ecological reserve that also provides recreational and cultural benefits to visitors and the surrounding communities. Lands within the park are owned by the Province of BC, The Nature Trust of BC, Ducks Unlimited Canada and the Nature Conservancy of Canada. The RDN manages these lands on behalf of the landowners, currently guided by the 2009-2014 Englishman River Regional Park Management Plan.

For more information about the project, to complete the survey, ask questions and to register and sign up to receive project updates, visit [getinvolved.rdn.ca/errp-management-plan](https://getinvolved.rdn.ca/errp-management-plan). For information on parks in the RDN, visit [rdn.bc.ca/parks-services](https://rdn.bc.ca/parks-services).
