

Watermain Flushing – Madrona Point and Wall Beach Area

Regional District of Nanaimo (RDN) Water System operators will be flushing (cleaning) watermains in the Madrona Point and Wall Beach area of Nanoose Bay as part of the annual watermain maintenance program.

Flushing Schedule:

March 23 – 27, 2026 from 8 a.m. to 4:30 p.m.

During this period, customers in the Water Service Area may experience temporary service disruptions, reduced water pressure, and water discolouration. Please plan to do laundry in the evenings or on the weekend and ensure that you have sufficient water available for the day. The RDN is not responsible for any damage resulting from the use of discoloured water.
