NATIONAL VOLUNTEER WEEK - APRIL 19 – 25

Thank you to the hundreds of RDN volunteers who help make the region a great place to live. From responding to emergencies and watershed monitoring to serving on committees, leading community clean-ups and so much more, every volunteer is making a difference.

This year's National Volunteer Week celebrates the ways in which people have ignited volunteerism in their communities. Volunteers in our region contribute significantly to the quality of life we all strive for. The RDN and the communities we serve appreciate their dedication, compassion and care.

Thank you for all that you do
